Sat, 19 Jan 2019 19:48:00 GMT agile development with iconix process pdf - Pages in category "Software development process" The following 117 pages are in this category, out of 117 total. This list may not reflect recent changes (). Sun, 20 Jan 2019 06:04:00 GMT Category:Software development process - Wikipedia - History. In 1986, Ivar Jacobson first formulated textual, structural, and visual modeling techniques for specifying use cases. In 1992 his co-authored book Object-Oriented Software Engineering - A Use Case Driven Approach helped to popularize the technique for capturing functional requirements, especially in software development. Originally he had used the terms usage scenarios and usage case ... Use case - Wikipedia -
